

SCHOOL DISTRICT UPS SERVICE KIT

Managing your UPS fleet can be a daunting task. CoastTec has done our homework. We have designed a UPS fleet management program to take the headache and guesswork out of managing your network UPS. Our easy pre-packaged solutions will give you umbrella coverage regardless of the size of your fleet. School districts have relied on CoastTec to support their UPS fleets for the last three decades. See below to determine the coverage level that would work best for your school.

WHAT SIZE IS YOUR SCHOOL DISTRICT

SMALL	0-25 UNITS	15 CREDITS	\$3,374.85*
MEDIUM	25-50 UNITS	30 CREDITS	\$6,749.70*
LARGE	50+ UNITS	50 CREDITS	\$11,249.50*

*Freight included (including old UPS returns)

WHY IS CPP THE BEST CHOICE FOR UPS FLEET MANAGEMENT?

- Cut just one purchase order cover ALL UPS needs across ALL locations.
- Umbrella coverage on entire fleet regardless of age, manufacturer or condition.
- Cost savings of up to 50% per UPS replacement vs. new.
- Quick turnaround on unit replacements.
- Send an email and get equipment and/or technician dispatched.
- Onsite technicians can be dispatched to replace UPS/RBC/Network Management Cards using credits.
- Customized asset management tool to track all equipment history and collect data for future planning.
- Dedicated Account Representative.
- Environmentally friendly - service all UPS rather than disposing and buying new.
